

TESTIMONIALS

My daughter and her family moved with me to Palm Springs almost one year ago. We were lucky to have Guy Prehn referred to us by my cousin. I liked Guy on our first meeting. He was professional, warm, had a great sense of humor, and was very knowledgeable in all aspects of real estate. We needed a very specific property and Guy found the house and property that was beyond our expectations. I am so enamored with the real estate services of Guy that I welcome anyone to call me for a direct recommendation at 310-717-3138

My husband and I sold a condo and bought a condo using Guy's services – within a few months of each other. Because the condo we were selling was expected to be a difficult sale -- unusual condo restrictions required an all-cash sale-- we expected that this would be stressful and time consuming – it wasn't. Guy and his team were diligent – they held an open house almost every weekend and marketed the property aggressively. Not only did we sell it in a short time-frame, but we sold it furnished and made a good profit. The condo we purchased was in the exact location we had been targeting and it was a reasonable price. Guy even found the property before it was officially listed. We enjoyed working with Guy as he is very professional and is up-to-date on all real estate laws and restrictions. We now think of Guy and his team as our friends and keep in contact with them on a regular basis.

Buying a condo from a long distance away is never easy; however, Guy got us through the process with minimal effort on our part. Everything went smoothly. More importantly, he did what he said he was going to do when he said he would do it. No problem recommending Guy to you!

Guy completely exceeded my expectations of what a real estate agent could do to make my sale happen, my buying experience easy, and to have a pleasant experience going through the process. He helped me go through the ins and outs of buying my new home construction as well. He was supportive of my husband and our three children and our anxiety over giving up a home we loved in the process of finding a home that fit the needs of our family. He comes highly recommended! Thank you Guy!

Guy is the best example of a perfect agent. He was very responsive and professional. He did what he said he would do and saw us thru to a very clean sale. He will do right by you.

We interviewed several Realtors for the job and Guy won out over several others. He was very prepared and professional and gave us his selling plan, which included open houses until our house sold, no matter how long it took. It only took 2 weeks! Because of that, several other homes in our complex asked him to sell their homes. To this date, he has sold all that he had listed and also another one that he didn't have listed. We would definitely recommend Guy Prehn, if you want to sell your home!
